INDEPENDENT AUDITORS' REPORT

Board of Trustees
Jordan Valley Conservation Gardens Foundation
West Jordan, Utah

Opinion

We have audited the accompanying statements of financial position of Jordan Valley Conservation Gardens Foundation ("the Foundation") (a nonprofit organization) as of June 30, 2022 and 2021, and the related statements of activities and changes in net assets and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Jordan Valley Conservation Gardens Foundation as of June 30, 2022 and 2021, and the results of its operations and its cash flows for the years then ended, in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Foundation and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Foundation's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Foundation's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Sincerely,

Gilbert & Stewart

Gilbert & Stewart

JORDAN VALLEY CONSERVATION GARDENS FOUNDATION

Notes to the Financial Statements

June 30, 2022 and 2021

1. ORGANIZATION

The Jordan Valley Conservation Gardens Foundation (the Foundation), a Utah 501(c)(3) not-for-profit organization, was organized on September 29, 2005. The Foundation was primarily organized to assist the Jordan Valley Water Conservancy District (the District) with development and operation of a water conservation demonstration garden, a regional education facility, and a resource for water conservation. The Foundation's primary sources of revenues are grants, gifts and fundraising activities. The Foundation is governed by the same Board of Trustees as the District and is a component unit of the District, and its financial activity is reflected as a blended component unit in the District's financial statements.

All purchases of capital assets and improvements of property undertaken by the Foundation on behalf of the District are recorded on the District's books.

2. SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The financial statements have been prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Management estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and disclosures of contingent assets and liabilities, at the date of the financial statements, and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Basis of presentation

The foundation follows Statement of Financial Accounting Standards Codification Topic 958, *Not-for-Profit Entities*. Codification Topic 958 requires that all not-for-profit organizations provide a statement of financial position, a statement of activities, and a statement of cash flows. Topic 958 also requires classification of an organization's net assets and its revenues, expenses, gains, and losses based on the existence or absence of donor-imposed restrictions. It requires that the amounts for two classes of net assets (without donor restrictions and with donor restrictions) be displayed separately in a statement of financial position and that the amounts of change in each of those classes of net assets be displayed in a statement of activities.

Revenue recognition

All contributions are considered available for the Foundation's general programs unless specifically restricted by the donor. Amounts received that are designated for future periods or restricted by the donor are reported as public support "With Donor Restrictions" and increase the respective class of net assets. Contributions received with donor restrictions that are met in the same reporting period or received without donor restrictions are reported as public support "Without Donor Restrictions" and increase the respective class of net assets.

JORDAN VALLEY CONSERVATION GARDENS FOUNDATION
Notes to the Financial Statements
June 30, 2022 and 2021

Investment income that is limited to specific uses with donor restrictions is reported as increases in other revenue “Without Donor Restrictions” and increase the respective class of net assets, if the restrictions are met in the same reporting period as when the income is recognized.

Cash and cash equivalents

The Foundation considers all cash on hand, all cash in banks, and all highly liquid investments with a maturity of three months or less to be cash equivalents. At times during the year, cash balances in the Foundation’s accounts may exceed federally insured limits of \$250,000. As of June 30, 2022 and 2021, the Foundation had cash balances of \$76,582 and \$58,484, respectively, all of which was federally insured. The Foundation did not have cash balances that exceeded federally insured limits.

Income taxes

The Internal Revenue Service has advised that the Foundation qualifies under Section 501(c)(3) of the Internal Revenue Code and is, therefore, not subject to tax under present income tax laws.

Fair value of financial instruments

The carrying amounts reflected in the statements of financial position for cash and cash equivalents approximate the respective fair values due to the short maturities of those instruments.

3. NET ASSETS WITH DONOR RESTRICTIONS

There were \$32,025 and \$25,805 of net assets with donor restrictions as of June 30, 2022 and 2021, respectively, to be used for the following purposes:

	2022	2021
Cash and promises to give, restricted for:		
Capital improvements	\$ 32,025	\$ 25,805
	\$ 32,025	\$ 25,805

4. ACCOUNTS RECEIVABLE

Unconditional promises to give, expected to be realized in one year or less, are recorded as receivables and are classified as net assets with donor restrictions in the statements of activities. There are no unconditional promises, to give as of June 30, 2022 and 2021.

5. RELATED PARTY

Payments in the amount of \$0 and \$46,976 were made to Jordan Valley Water Conservancy District, a related party, for garden exhibits and insurance during the fiscal years ended June 30, 2022 and 2021, respectively.

JORDAN VALLEY CONSERVATION GARDENS FOUNDATION

Notes to the Financial Statements

June 30, 2022 and 2021

6. SUBSEQUENT EVENTS

The Foundation evaluated all events or transactions that occurred after June 30, 2022, through December 20, 2022, the date the financial statements were available to be issued. During this period, the Foundation did not have any material recognizable subsequent events.
