**DISTRICT PROJECT NO.: 4289**

**2/9/2023**

This addendum is hereby attached to and made part of the Request for Statements of Qualification dated January 2023. The addendum consists of **2** pages of written text (including this cover sheet) and **0** pages of drawings. Each Proposer should acknowledge receipt of this addendum by signing and attaching this addendum to the proposal.

1. Remove, page 5, scope item 9 (this work has been previously completed by the District):

~~“9. Solids Handling Pumps—Confirm the ability of the solids handling pumps to operate and provide redundancy at the 220 MGD interim plant production capacity. If improvements are needed, recommend improvements for 13 MGD of solids recycle (268 MGD gross—255 MGD net).”~~

2. Revise page 8, last full paragraph to read:

“SOQs shall not exceed ~~eight(8)~~ **ten (10) standard** pages **(8-1/2” x 11”)** in length (excluding **lengthy tables**, resumes, sample drawings, appendices and references). Provide one digital copy of the SOQ. Proposers may provide four (4) bound hard-copies for ease of use by the evaluation committee if desired.”

3. Revise page 9, last two sentences of paragraph 3 to read:

*“Include hours ~~and costs~~ for each item of the pre-design scope. If after review of the pre-design report, some line items ~~(and costs)~~ may be removed from design (i.e. pre-ozone) by negotiation and amendment prior to the beginning of the design phase of the project.”*

The due date for the statements of qualification remains **4:00 p.m. on February 15, 2023.**
