**ADDENDUM NO. 2
TO
CONTRACT DOCUMENTS
FOR
4500 SOUTH WATERLINE IMPROVEMENTS**

DISTRICT PROJECT NO.: 3931

December 19, 2014

This addendum is hereby attached to and made part of the Contract Documents. The addendum consists of 2 pages of written text (including this cover sheet). Each Bidder shall acknowledge receipt of this addendum on the bid and by signing and attaching this addendum to the bid.

Clarification No. 1:

Salt Lake County Noise Ordinance restricts certain construction activities at all locations based on jurisdictional governance. The Contractor is responsible to obtain a separate permit for each location with the Salt Lake County Health Dept. Costs associated with said permit is \$120/ea. Generally the noise restriction limits high impact noise restrictions such as sawcutting and jack hammering of pavements from 7:00 am to 10:00 pm. However, more stringent restrictions may apply based on residential proximity.

Permits may be obtained from:

James Bennet
Salt Lake County Health Department
(385) 468-3793

Work at 900 East - 4500 South is limited to the following hours based on both UDOT and SL County Health Dept. restrictions:

Monday thru Friday: 9:00 am thru 3:30 pm (and) 7:00 pm thru 10:00 pm.
Saturday thru Sunday: 7:00 am thru 10:00 pm.
