**Well Rehabilitation**

June 2011

# Abandon Three Wells and Well Rehabilitation

---

Project included the abandonment of three wells and the rehabilitation of one well.

Two of the three wells are owned by the Welby Jacob Water Users Company. They are located adjacent to the Welby Canal at 11800 South 4200 West and 12200 South 4300 West. The District's well is located at 590 West 6400 South.

Rehabilitation work on the JNPS well, which provides water to the pump station and related HVAC system.

---

## JNPS Supply Well

The District deleted this portion of work when better alternatives for providing water to the pump station and HVAC become available.
